V/s

M/s. Starflex Sealing India Pvt. Ltd.,
Verna, Salcete, Goa-403722 Employer/Party II
Workman/Party I in person.
Adv. L. V. Palekar for Party II.

AWARD

(Passed on 1st day of April, 2013)

In exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) (for short the Act) the Government of Goa by order dated 08-11-11 bearing number 28/32/2011-LAB has referred the following dispute for adjudication by this Tribunal.

“(1) Whether the action of the management of M/s Starflex Sealing India Private Limited, Verna, Salcete, Goa, in dismissing from service its Workman, Shri Avinash Korgaonkar, Operator, with effect from 02-02-2011, is legal and justified?
(2) If not, what relief the workman is entitled to?”

2. On receipt of the reference, a case was registered under No. IT/35/11 and registered A.D. notices were issued to the parties. Upon receipt of the notice Party I filed the claim statement at Exb. 3, Party II filed the written statement at Exb. 8.

3. In the claim statement, it is in short the case of Party I that Party II has issued him a charge-sheet dated 1-9-2009 alleging certain acts of misconducts to which he filed the reply. That the management conducted the enquiry which was in gross violation of the principles of natural justice. The Enquiry Officer (E.O.) gave non reasoned findings in a mechanical manner, in favour of the management and acted in bias and prejudicial manner in favour of the management. That the charges levelled against him in the charge-sheet dated 1-9-09 have not been proved beyond reasonable doubt. That the findings given by the E.O. are perverse and are liable to be set aside and quashed. It is stated that the Manager HR changed the date of enquiry fixed by E.O. from 23-7-10 to 17-7-10 in excess of jurisdiction, in the said enquiry. It is stated that the Workman was not paid subsistence allowance but despite it he participated in the enquiry on 23-7-10 at 3:30 p.m. however neither the E.O. nor the Management Representative (M.R.) remained present on that date which is a clear mischief on the part of the E.O. and the M.R. done at the behest of the management of Party II. It is stated that the E.O. acted in undue haste to complete the

enquiry at the behest of Party II and closed the enquiry on 17-7-10 to oblige the management of Party II and to deny reasonable opportunity to Party I/Workman to defend his case. It is stated that great injustice, irreparable loss and prejudice has been caused to Party I/Workman as he has been denied an opportunity to lead evidence in defence. It is stated that the E.O. was a mere agent of the management who made a farce of conducting the enquiry which he conducted in flagrant violations of principles of natural justice. It is stated that the findings are merely mechanical and non reasoned which are stretched totally in favour of the management. It is stated that the findings given by the E.O. are perverse and liable to be set aside and quashed. It is stated that the E.O. has failed to discuss and analyze the evidence and material of the defence and that the management has failed to prove the charges made against the workman in the enquiry. It is stated that there is no direct evidence against the Workman. According to the Workman no charge of whatsoever nature has been proved against him and the findings submitted by the E.O. are perverse, false, bogus and improper and that the dismissal of his services has also been done in violation of Section 33 of The Act. The Workman has therefore prayed for reinstatement back in the services with full back wages and continuity in service alongwith all other consequential benefits.

4. In the written statement, Party II has denied the case setup by Party I in the claim statement and has stated that Party I/Workman alongwith others participated in various agitations and instigated other Workmen to resort to violence and even some Workmen on 29-4-09 brutally assaulted security personnel Mr. Pio Rebello. In view of above and a series of other acts amounting to ghearing officers, indulging in violence, causing damage to the property of Party II, neglecting work, intimidating fellow Workmen etc. Party II suspended seven Workmen including Party I/Workmen by an order dated 30-4-09. Party II therefore issued a charge sheet and initiated common domestic enquiry to investigate the charges levelled against Party I/Workman and six others. It is stated that the enquiry commenced on 8-8-09 and was conducted regularly. It is stated that the Party I and others were given full and complete opportunity to defend themselves and were permitted to be represented by the representative of their choice. It is stated that in the meantime it was learnt that Party I/Workman was gainfully employed elsewhere and as such he was called upon to furnish an affidavit to state on oath that he was not gainfully employed elsewhere however Party I Workman did not give

any such affidavit thus confirming the apprehension of the management that Party I was gainfully employed elsewhere and this fact disentitled him to any subsistence allowance. It is stated that the Workman continued appearing in the enquiry however on 5-6-10 the defence representative as well as all the Workman except two were absent on the false pretext that they were unable to remain present as subsistence allowance was not paid and this informed to the E. O. by the defence representative on phone. Nonetheless, the E.O. adjourned the proceedings to 18-6-10 and thereafter to 12-7-10. It is stated that the change of venue was intimated to all the parties. It is stated that on 12-7-10 Party I Workman remained absent but the defence representative was present and made several false and frivolous claims which were replied to by the management representative. The enquiry was then adjourned to 23-7-10 but for certain reasons it was rescheduled to 17-7-10 with due notices dated 13-7-10 to the Workmen. It is stated that on 17-7-10 neither the workmen nor their representative remained present and the defence representative telephonically informed the E.O. that they would not participate in the enquiry. Thus, taking into account the above fact amongst others, the E.O. came to the conclusion that there was no scope for further adjourning the enquiry and hence he closed the enquiry. It is stated that the E.O. submitted the findings dated 13-10-10 holding that the charges levelled against the Workman were proved. It is stated that Party II by letter dated 30-12-10 sent the findings of the E.O. to the Workman and called upon him to show cause as to why the same should not be accepted. It is stated that the Workman sent the reply dated 7-1-11 submitting false, frivolous, concocted and untenable grounds. It is stated that the management however came to the conclusion that the charges levelled against the Workman stood proved and that the punishment of dismissal was warranted and by an order dated 2-2-11 dismissed the workman from services. It is stated that the Workman was found guilty of a very serious misconduct at the domestic enquiry in which a fair and reasonable opportunity was given to him to defend himself but he refused to participate in the enquiry after a point of time citing untenable excuses which were false and concocted to his own knowledge. Thus, according to Party II the dismissal order passed against the Workman is just, fair and in accordance with law and the demand raised by the Workman seeking reinstatement and back wages is completely unjustified and the reference is liable to be rejected hence Party II has prayed to reject the reference.

5. In the rejoinder Party I has denied the defence taken by Party II in the written statement.

6. In the course of further proceedings Adv. Shri Suhas Naik who was initially representing the union submitted before the court that he wants to withdraw his appearance and prayed for time to take necessary step. In the mean time and more particularly on 8-3-13, an application at Exb. 10 signed by Party I and Party II was filed before this court stating that parties have settled the pending disputes including the subject matter of this reference, without the intervention of any Union and have entered into the consent terms which provide for settlement of the issues arising out of the subject matter of reference and the quantum of compensation thereto. Parties also annexed the said consent terms to the above application, which consent terms read as under:

1. The parties herein have settled all the pending disputes between themselves including the issues which form the subject matter of the present reference.
2. The Workman states that he wants to settle the issues independently and without intervention of any union. He is producing his voter ID-GA/02/025/057205 as and by way of his identity proof. A certified true copy of the same is annexed to these consent terms as Annexure A.
3. On execution of this consent terms, the Workman shall be deemed to have resigned from the services of the Employer w.e.f. 02-02-2011.
4. On execution of this consent terms, the Employer will pay to the Workman a sum of Rs. 41,683/- (Rupees forty one thousand six hundred and eighty three only) vide Demand Draft No. 003872 drawn on HDFC Bank. A certified true copy of the said Demand Draft is annexed to these consent terms as Annexure B. The said amount is in full and final settlement of all dues which may be payable by the Employer to the Workman including dues of outstanding salary, if any, gratuity and any other payments which may be required to be paid under any statute. The Workman shall neither be entitled to nor shall he make any further monetary claim as against the Employer.
5. The aforesaid amount of Rs. 41,683/- (Rupees forty one thousand six hundred and eighty three only) is paid and accepted by the Workman in full and final settlement of all his claim against the First Party Employer. The Workman declares that he has now no claim of any nature whatsoever either for reinstatement or for re-employment or monetary in nature against the First Party Employer.

6. The Workman and the Employer jointly pray that the Reference be disposed off in terms of these consent terms.

7. The above terms are signed by Party I/Workman as well as Party II before a notary. It may be mentioned here that Adv. Shri Suhas Naik on 19-3-2013 filed an application at Exb. 11 stating that Party I/Workman has resigned from the membership of Goa Trade and Commercial Workers Union (AITUC) w.e.f. 12-01-2013 and has joined the membership of Bharatiya Kamgar Sena and that he as the Secretary of AITUC does not wish to represent the Workman. Learned advocate Shri Suhas Naik has also annexed the copy of the resignation letter sent by Party I/Workman to AITUC as well as a copy of the letter dated 15-1-2013 sent by the President of Bharatiya Kamgar Sena to the President of AITUC stating that the Workman working with Party II have resigned from the membership of AITUC and have joined Bharatiya Kamgar Sena and hence it is apparent that Party I/Workman is not being represented by AITUC.

8. I have gone through the terms of the settlement and the Annexures to it i.e. Exb.10 and I am satisfied that the terms of settlement are certainly in the interest of Workman. I, therefore, accept the said terms and pass the following:

ORDER

1. The reference stands disposed off by consent award in view of the consent terms filed by the parties at Exb. 10.
2. No order as to costs.

Panaji, Goa. Workman/Party I

V/s

M/s. Starflex Sealing India Pvt. Ltd.,
Verna, Salcete, Goa-403722 Employer/Party II
Workman/Party I in person.
Adv. L. V. Palekar for Party II.

AWARD

(Passed on 1st day of April, 2013)

In exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) (for short the Act) the Government of Goa by order dated 30-9-11 bearing number 28/29/2011-LAB has referred the following dispute for adjudication by this Tribunal.

“(1) Whether the action of the management of M/s Starflex Sealing India Private Limited, Verna, Salcete, Goa, in dismissing from service its Workman, Shri Devidas Ram Naik, Operator, with effect from 02-02-2011, is legal and justified?

(2) If not, what relief the Workman is entitled to?”

2. On receipt of the reference, a case was registered under No. IT/29/11 and registered A.D. notices were issued to the parties. Upon receipt of the notice Party I filed the claim statement at Exb. 4, Party II filed the written statement at Exb. 7.

3. In the claim statement, it is in short the case of Party I that Party II has issued him a charge sheet dated 1-9-2009 alleging certain acts of misconducts to which he filed the reply. That the management conducted the enquiry which was in gross violation of the principles of natural justice. The Enquiry Officer (E.O.) gave non-reasoned findings in a mechanical manner, in favour of the management and acted in bias and prejudicial manner in favour of the management. That the charges levelled against him in the charge sheet dated 1-9-09 have not been proved

beyond reasonable doubt. That the findings given by the E.O. are perverse and are liable to be set aside and quashed. It is stated that the Manager HR changed the date of enquiry fixed by E.O. from 23-7-10 to 17-7-10 in excess of jurisdiction, in the said enquiry. It is stated that the Workman was not paid subsistence allowance but despite it he participated in the enquiry on 23-7-10 at 3:30 p.m. however neither the E.O. nor the Management Representative(M.R.) remained present on that date which is a clear mischief on the part of the E.O. and the M.R. done at the behest of the management of Party II. It is stated that the E.O. acted in undue haste to complete the enquiry at the behest of Party II and closed the enquiry on 17-7-10 to oblige the management of Party II and to deny reasonable opportunity to Party I/Workman to defend his case. It is stated that great injustice, irreparable loss and prejudice has been caused to Party I Workman as he has been denied an opportunity to lead evidence in defence. It is stated that the E.O. was a mere agent of the management who made a farce of conducting the enquiry which he conducted in flagrant violations of principles of natural justice. It is stated that the findings are merely mechanical and non-reasoned which are stretched totally in favour of the management. It is stated that the findings given by the E.O. are perverse and liable to be set aside and quashed. It is stated that the E.O. has failed to discuss and analyze the evidence and material of the defence and that the management has failed to prove the charges made against the workman in the enquiry. It is stated that there is no direct evidence against the Workman. According to the Workman no charge of whatsoever nature has been proved against him and the findings submitted by the E.O. are perverse, false, bogus and improper and that the dismissal of his services has also been done in violation of section 33 of The Act. The Workman has therefore prayed for reinstatement back in the services with full back wages and continuity in service alongwith all other consequential benefits.

4. In the written statement, Party II has denied the case setup by Party I in the claim statement and has stated that Party I/Workman alongwith others participated in various agitations and instigated other Workmen to resort to violence and even some Workmen on 29-4-09 brutally assaulted security personnel Mr. Pio Rebello due to which employer lodged police complaint on 30-4-09 against Party I and six others. It is stated that Party II issued a

charge sheet and initiated common domestic enquiry to investigate the charge levelled against Party I/Workman and six others. Party I filed reply dated 25-7-09 and denied the allegations made against him. Due to unsatisfactory explanation from Party I, Party II commenced enquiry on 8-8-09 and the same was conducted regularly. It is stated that the Party I and others were given full and complete opportunity to defend themselves and were permitted to be represented by the representative of their choice. It is stated that in the meantime it was learnt that Party I Workman was gainfully employed as a Welder with M/s Elegant Company and worked with M/s Goa Shipyard Limited and as such he was called upon to furnish an affidavit to state on oath that he was not gainfully employed elsewhere however Party I Workman did not give any such affidavit thus confirming the apprehension of the management that Party I was gainfully employed elsewhere and this fact disentitled him to any subsistence allowance. It is stated that the Workman continued appearing in the enquiry however on 5-6-10 the defence representative as well as all the Workmen except two were absent on the false pretext that they were unable to remain present as subsistence allowance was not paid and this was informed to the E.O. by the defence representative on phone. Nonetheless, the E.O. adjourned the proceedings to 18-6-10 and thereafter to 12-7-10. It is stated that the change of venue was intimated to all the parties. It is stated that on 12-7-10 Party I Workman remained absent but the defence representative was present and made several false and frivolous claims which were replied to by the management representative. The enquiry was then adjourned to 23-7-10 but for certain reasons it was rescheduled to 17-7-10 with due notices dated 13-7-10 to the Workmen. It is stated that on 17-7-10 neither the workmen nor their representative remained present and the defence representative telephonically informed the E.O. that they would not participate in the enquiry. Thus, taking into account the above fact amongst others, the E.O. came to the conclusion that there was no scope for further adjourning the enquiry and hence he closed the enquiry. It is stated that the E.O. submitted the findings dated 13-10-10 holding that the charges levelled against the Workman were proved. It is stated that Party II by letter dated 30-12-10 sent the findings of the E.O. to the

Workman and called upon him to show cause as to why the same should not be accepted. It is stated that the workman sent the reply dated 7-1-11 submitting false, frivolous, concocted and untenable grounds. It is stated that the management however came to the conclusion that the charges levelled against the Workman stood proved and that the punishment of dismissal was warranted and by an order dated 2-2-11 dismissed the Workman from services upon which the Workman raised an industrial dispute. It is stated that the Workman was found guilty of a very serious misconduct at the domestic enquiry in which a fair and reasonable opportunity was given to him to defend himself but he refused to participate in the enquiry after a point of time citing untenable excuses which were false and concocted to his own knowledge. Thus, according to Party II the dismissal order passed against the workman is just, fair and in accordance with law and the demand raised by the workman seeking reinstatement and back wages is completely unjustified and the reference is liable to be rejected hence Party II has prayed to reject the reference.

5. In the course of further proceedings Adv. Shri Suhas Naik who was initially representing the union submitted before the court that he wants to withdraw his appearance and prayed for time to take necessary steps. In the meantime and more particularly on 8-3-13, an application at Exb. 8 signed by Party I and Party II was filed before this court stating that parties have settled the pending disputes including the subject matter of this reference, without the intervention of any union and have entered into the consent terms which provide for settlement of the issues arising out of the subject matter of reference and the quantum of compensation thereto. Parties also annexed the said consent terms to the above application, which consent terms read as under:

1. The parties herein have settled all the pending disputes between themselves including the issues which form the subject matter of the present Reference.
2. The workman states that he wants to settle the issues independently and without intervention of any union. He is producing his Driving Licence No. KA30 20010002126 as and by way of his identity proof. A certified true copy of the same is annexed to these consent terms as Annexure A.
3. On execution of this consent terms, the workman shall be deemed to have resigned from the services of the Employer w.e.f. 02-02-2011.

4. On execution of this consent terms, the Employer will pay to the Workman a sum of Rs. 36,677/- (Rupees thirty six thousand six hundred and seventy seven only) vide Demand Draft No. 003876 drawn on HDFC Bank. A certified true copy of the said Demand Draft is annexed to these consent terms as Annexure B. The said amount is in full and final settlement of all dues which may be payable by the Employer to the Workman including dues of outstanding salary, if any, gratuity and any other payments which may be required to be paid under any statute. The Workman shall neither be entitled to nor shall he make any further monetary claim as against the Employer.

5. The aforesaid amount of Rs. 36,677/- (Rupees thirty six thousand six hundred and seventy seven only) is paid and accepted by the Workman in full and final settlement of all his claim against the First Party Employer. The Workman declares that he has now no claim of any nature whatsoever either for reinstatement or for re-employment or monetary in nature against the First Party Employer.

6. The Workman and the Employer jointly pray that the Reference be disposed off in terms of these Consent Terms.

6. The above terms are signed by Party I/Workman as well as Party II before a notary. It may be mentioned here that Adv. Shri Suhas Naik on 4-4-2013 filed an application at Exb. 9 stating that Party I Workman has resigned from the membership of Goa Trade and Commercial Workers Union (AITUC) w.e.f. 12-01-2013 and has joined the membership of Bharatiya Kamgar Sena and that he as the Secretary of AITUC does not wish to represent the Workman. Learned advocate Shri Suhas Naik has also annexed the copy of the resignation letter sent by Party I/Workman to AITUC as well as a copy of the letter dated 15-1-2013 sent by the President of Bharatiya Kamgar Sena to the President of AITUC stating that the workman working with Party II have resigned from the membership of AITUC and have joined Bharatiya Kamgar Sena and hence it is apparent that Party I/Workman is not being represented by AITUC.

7. I have gone through the terms of the settlement and the Annexures to it i.e. Exb.8 and I am satisfied that the terms of settlement are certainly in the interest of Workman. I, therefore, accept the said terms and pass the following:

ORDER

1. The reference stands disposed off by consent award in view of the consent terms filed by the parties at Exb. 8.
