2. This act is immoral and illegal as per Chapter 7 and 8 of Pharmacy Practice Regulations 2015 framed under the provisions of the Pharmacy Act 1948.
3. In case of violations of said provision by a registered pharmacist, he/she may face cancellation or suspension of his/her registration as a pharmacist.
4. It is also observed that such unethical practices are leading to unhealthy competition among medical stores. This is a gross violation of Section 4 of the Competition Act 2002.
